#### **IMPORTANT INFORMATION:**

Please note that coverage limits, excesses, terms, conditions and exclusions apply to all insurance cover under the Football NSW Insurance Program. Football NSW does not hold an Australian Financial Service Licence. Insurance cover is

arranged by Gow-Gates Insurance Brokers with certain insurers, for the benefit of the policy beneficiaries.

This information must be read in conjunction with the specific coverage details and documentation including the Policy Wording and/or Product Disclosure Statement. For copies of these documents, please visit [www.gowgatessport.com.au/football/nsw/](http://www.gowgatessport.com.au/football/nsw/).

Gow-Gates Insurance Brokers advise that the Football NSW Personal Accident Insurance Policy provides basic levels of cover for participants, it is not all encompassing (this is necessary to keep the cost of insurance affordable for all participants) and does not seek to replace the need for private health cover and other insurances.

The information set out above is of a general nature only, it does not take into account your individual needs or financial situation. Football NSW strongly encourages all participants to assess their personal circumstances and decide if they should take out their own private health insurance, life insurance, trauma cover and/or income protection insurance over and above the coverage provided under this Program.
